GENETICS publishes high quality, original research presenting novel findings on a range of topics bearing on heredity and variation. GENETICS is a peer-edited journal—all editorial decisions are made by the authors' peers—with a tradition of rigorous peer review. Publication is open equally to members and non-members of the Genetics Society of America. Submit manuscripts at <http://submit.genetics.org>. Address questions to the GENETICS Editorial Office, Mellon Institute, Box I, 4400 Fifth Avenue, Pittsburgh, PA 15213-2683.
