

## CORRIGENDUM

Volume 97, January–March/April 1981

In the paper by KACSER and BURNS (*Genetics* **97**: 639–666) entitled, “The molecular basis of dominance,” equations (1) and (2) on pages 646 and 647 should read:

$$F = \frac{X_1 - X_n/K_{1n}}{\frac{M_1}{V_1} + \frac{M_2/K_{12}}{V_2} + \frac{M_3/K_{13}}{V_3} + \dots + \frac{M_n/K_{1(n-1)}}{V_n}} \quad (1)$$

and

$$Z_i = \frac{\partial F}{\partial V_i} \times \frac{V_i}{F} = \frac{\frac{M_i/K_{1i}}{V_i}}{\frac{M_1}{V_1} + \frac{M_2/K_{12}}{V_2} + \dots + \frac{M_i/K_{1i}}{V_i} + \dots + \frac{M_n/K_{1(n-1)}}{V_n}} \quad (2)$$

(See also KACSER and BURNS 1973.)

Equations (1a) and (2a) remain unaffected by these transcription mistakes.
